

DEVON & SOMERSET FIRE & RESCUE AUTHORITY

REPORT REFERENCE NO.	RC/10/14
MEETING	RESOURCES COMMITTEE
DATE OF MEETING	16 JULY 2010
SUBJECT OF REPORT	MEMBER CHAMPION FOR CLIMATE CHANGE AND SUSTAINABILITY - ROLE PROFILE
LEAD OFFICER	ACFO TREVOR STRATFORD
RECOMMENDATIONS	That, subject to the incorporation of any amendments made at this meeting, the Authority be recommended to approve the Role Profile for the Member Champion for Climate Change and Sustainability as appended to this report.
EXECUTIVE SUMMARY	<p>At its Annual General Meeting on the 28 May 2010 the Authority approved the DSFRS Carbon Management Plan.</p> <p>Appended to this report is a draft profile covering the role of Climate Change and Sustainability- Fire Authority Champion.</p> <p>The SMB is requested to consider the profile with a view to recommending its approval to the next full meeting of the Authority to enable them to either confirm the appointment of the existing Member Champion or elect a new Member Champion.</p>
RESOURCE IMPLICATIONS	<p>It is envisaged that some awareness building of Climate Change/Carbon Management and its impacts on DSFRS may be required to enable the appointed Champion to fulfil the role effectively and efficiently. This will be provided both in-house by attendance at the Carbon Management Team meetings, attendance at Regional Team meetings, and by attendance at appropriate local and national seminars and workshops.</p> <p>Costs will be born from within the existing Carbon Management budget.</p>
EQUALITY IMPACT ASSESSMENT	No potentially negative impact sufficient to warrant a full impact assessment has been identified in the content of this report
