LPB/22/40	<u>Conflict of Interest Declaration</u> No new interests were declared.
LPB/22/41	<u>Notes</u> The Notes of the meeting held on 7 September 2022 were AGREED .
LPB/22/42	<u>Review of Actions</u> CONSIDERED latest version of Action Log listing Open Actions. Progress against actions was indicated in the comments column. The following were noted: <ul style="list-style-type: none">• Action LPB044: West Yorkshire Pension Fund (WYPF) Cyber Security Business Continuity Plan. A response from WYPF was still awaited. Action: MAT to contact WYPF to specify what assurance, both in terms of cyber and broader business continuity aspects, the Service was seeking;• Action LPB055: the Administration, Management & Governance Strategy was drafted but was still awaiting publication;• Action LPB070: development of KPIs. Work was still progressing, albeit that it had been necessary for other issues to take priority. The WYPF report for November was still awaited;

	<ul style="list-style-type: none"> • Action LPB072: revision of training needs analysis. Board Members were encouraged to complete and return these to MAT. Completed forms would help inform the future training plan for the Board; • Action LPB076: a watching brief was being maintained. It was expected that revised tPR training modules would be issued once the new Code of Practice was published. In the meantime, Board Members were encouraged to complete the existing e-learning modules (if out of date) at the earliest opportunity and provide evidence of completion in due course; • Action LPB081: the Pensions Discretions Policy had been approved but was yet to be published. The policy would be in force 28 days after publication. The retirement and re-employment (including abatement) policy had been drafted but, as with the Discretions Policy, there were issues in relation to publication. MP referenced the Pay Policy Statement, which was where the retirement and re-employment policy was currently set out. It would be necessary to ensure this was up-to-date by the Authority budget meeting in February 2023; • Action LPB088: the Service was corresponding with WYPF on developing Pensions Dashboards. The information used for the dashboard would be the same as used for the Annual Benefits Statement. <p><i>(See also Notes LPB/22/43(a), LPB/22/46, LPB/22/48 and LPB/22/50 below)</i></p>

Additionally, the new Scheme Member representative, GW, was yet to undertake the Pension Regulators (tPR) e-learning modules. The refresh rate was every two years.</p> <p>All Board Members with outstanding training requirements were encouraged to undertake the relevant e-learning modules as the earliest opportunity.</p> <p><i>(See also Note LPB/22/42 above and LPB/22/50 below)</i></p>

Consideration was currently being given to suitable communication Category Two (retired colleagues), given that all announcements on this matter to date had been internal and would not have reached those who fell into 'Category Two' under the Immediate Detriment Framework.</p> <p data-bbox="475 1001 1104 1037"><i>(b). Matthews – Second Options Exercise</i></p> <p data-bbox="435 1055 1484 1346">Since the last Board meeting, the LGA had added a section to the FPS members website specifically in relation to Special Members of the 2006 Scheme, providing overview of the Court ruling, an outline of which members were eligible and an expected timeframe for the second options exercise. The page reiterated that the government was currently drafting the scheme rules required to bring in the second options exercise in England, prior to consultation and implementation of the relevant legislation, which was expected to be in place by 1 October 2023.</p> <p data-bbox="435 1366 1409 1471">Following this, FRAs would be expected to start the second options exercise and contact eligible members. Both had been heard at Stage 1 and progressed to Stage 2. At Stage 2:</p>

MIN NO.	ITEM TITLE
	<ul style="list-style-type: none"> • For the first case, the Stage 1 finding had been upheld (i.e. the complaint was not upheld and the appeal dismissed); • For the second case, it was found at Stage 2 that there was a shared responsibility to notify the Pension Administrator of retirement and re-employment. Consequently, the Stage 2 finding was not to overturn the Stage 1 decision but to reduce the requirement for overpayment from the appellant. Following this decision, the Service would be reviewing and revising as necessary, in consultation with WYPF, its processes relating to retirement and re-employment. <p><i>Pension Administrator Quality of Service</i></p> <p>The Service continued to collaborate with WYPF and to review, periodically, the arrangements in place to identify potential improvements. It had been noted that there was no clear alignment between the KPIs listed in the Service contract and the monthly reports issued by WYPF. This matter had been discussed with key stakeholders at WYPF, alongside other concerns on time taken to update member records in the earlier part of 2022. It was understood that measures were being introduced to address these resourcing and administration issues. The Service would continue to monitor progress going forward.</p> <p><i>Key Performance Indicators</i></p> <p>For 10 out of the last 12 months, the Service had achieved the KPI for submission of monthly pension reporting to WYPF by the last day of the month.</p> <p>Since the last Board meeting, there had been a total of four retirements, two of which were not submitted within the timeframe of 6 weeks prior to retirement date.</p> <p><i>Pension Dashboards Programme</i></p> <p>This was a government initiative to allow pension scheme members in Great Britain to view all their pension entitlements online in one place. Fire schemes (along with all other public sector schemes) were required to connect to the dashboard by 30 September 2024, with a further requirement to provide information about benefits (value data) by 1 April 2025 at the latest.</p> <p>Scheme managers were ultimately responsible under the regulations for ensuring that dashboard duties are met. In the coming months the Service would be liaising with WYPF to discuss plans for connecting to the dashboard, as well as reviewing current internal resourcing to meet the requirements.</p> <p><i>(See also Notes LPB/22/42 above and LPB/22/48 below)</i></p>

LPB/22/47	<p><u>Local Government Association Annual General Meeting/Pension Conference Update</u></p> <p>RECEIVED note summarising issues covered at the Annual Fire Pensions Conference held on 25 and 26 October 2022. Preparation for implementation of the age discrimination remedy was the main focus. This – together with the Second Options Exercise - could have a significant resourcing impact on the Service during 2023.</p> <p>Links to the presentations for both days were included in the note.</p> <p><i>(See also Notes LPB/22/46 above and LPB/22/49 below)</i></p>
LPB/22/48	<p><u>Pensions Dashboards</u></p> <p>The November WYPF report contained a helpful article on Pension Dashboards – in terms of requirements and what the Dashboards were intended to achieve.</p> <p><i>(See also Notes LPB/22/42 and LPB/22/46 above).</i></p>
LPB/22/49	<p><u>Risk Register</u></p> <p>CONSIDERED latest version (v1.12) of the Board Risk Register. The Register was a “live” document and could be updated at any stage. Mitigating actions had been listed against each risk, together with an indication as to whether further control actions were required. These, in turn, impacted on the net risk score.</p> <p>The risk relating to the COVID pandemic (risk LPB016) had been updated to reflect a risk relating to a flu pandemic.</p> <p>MP commented that it may be necessary to revisit risks LPB014 (age discrimination) and LPB015 (Matthews Second Options Exercise), based on earlier comments as to the potential volume of work and resourcing levels.</p> <p><i>(See also Notes LPB/22/46 and LPB/22/47 above)</i></p>
LPB/22/50	<p><u>Website</u></p> <p>The website was up-to-date albeit it was recognised that training records were still required for the new Scheme Member representative.</p> <p>Consideration was being given to publishing the breaches register on the website.</p> <p><i>(See also Notes LPB/22/42, LPB/22/43(a) and LPB/22/46 above)</i></p>
LPB/22/51	<p><u>LPB Work Programme</u></p> <p>NOTED latest version of the Board work programme to December 2024. The work programme could be varied as required.</p> <p>MP stated that there was some uncertainty over the Pension Regulator annual governance survey. The work programme would be amended once the position was clarified.</p>
