

Our Vision

"Together we will work to end preventable fire and rescue emergencies, creating a safer world for you and your family."

Integrated Risk Management Plan

Fire and Rescue Plan

Resources

Change and Improvement Programme

How we are going to deliver the changes needed to address the risks identified by our two plans, with our priorities being:

Put prevention at the heart of what we do

Be a learning organisation

Focus on our statutory duty: responding to fires and road traffic collisions

Getting best value for money

Resources to be located where risk is greatest

What we will do in years 1 and 2

Service delivery operating model

Creating an operating model that matches our resources to the greatest risk and puts prevention first.

Digital transformation ((()

Systems that are designed by users and are digital by default.

Management of fleet and equipment

Making the best use of existing resources, introducing new technology and reducing costs.

Learning and development

Our staff will have the right skills developed through a culture of learning.
